

# SUMMIT CLEANTEX<sup>®</sup> AFRICA

13 October 2022

This premier executive development event for Africa's professional cleaning and hygiene industry is co-located with Cleantex Africa 2022. Do not miss this opportunity to secure your seat to attend this event.

The executive summit programme is aimed at providing delegates with an opportunity to expand and enhance knowledge, with professional speakers and industry leaders addressing delegates on a variety of business topics. Attending also offers delegates the opportunity to interact with peers and to visit *Cleantex Africa 2022* to view the latest equipment, products, services, innovations and industry solutions available to the Southern African professional hygiene, cleaning, facility management, pest control, laundry, waste management and related industries.
